

Re-Engaging Kingdom Kids Guidelines for Parents

- PLEASE DO NOT BRING YOUR CHILDREN if they have any symptoms of sickness or anyone in their family is sick, or they have had recent exposure to a likely COVID-19 positive.
- Hand sanitizers will be available upon entering Children's Ministry lobby.
- All children will use hand sanitizers before entering and leaving a classroom.
- Class sizes will be limited with a cap on the number of children in each classroom.
- All hallways will be one-way hallways with directional arrows on the floor. Please exit by the designated door at the end of the hallway.
- A limited number of parents will be allowed in the Children's Ministry area at one time for drop off and pickup. Please keep conversations to a minimum and exit expediently to allow other parents to enter.
- Rooms with toys will have toys specific for that service. Larger toys will be sanitized between services.
- Masks will not be required, but some teachers may wear one.
- No snacks will be given to your child.
- Each child will have their own craft, crayons, scissors, pens, etc.
- All activities involving touching, holding hands, etc. have been eliminated.
- We will do our best to provide activities that do not involve physical contact and chairs and tables will be spaced out.
- We will use common sense☺.

Last but not least, Pray for Safety. This is one of those things that is just common sense, but it is worth calling attention to it, as we humbly ask for the Lord to watch over the Kingdom Kids classrooms and protect us from dangers, both seen and unseen. The promises we have through Him of Hope, Peace, and Protection haven't changed because of COVID-19 and we know that He is Trustworthy in all situations.

And remember, this is temporary☺.

*If you are not comfortable with the guidelines that we have in place, you may pick up a Kids Activity Packet at the Children's Ministry Lobby for your child to do during the service.
